Access out of hours is available via the General Paediatric Team through Paediatric A&E or by contacting switchboard for the on call General Paediatric Registrar on **01932 872000**.

Initial advice by the General Paediatric Registrar is based on Paediatric Diabetes Guidelines available on the Intranet:

[Diabetes - Hypoglycaemia](#)

[Diabetes - Management at Home](#)

[Insulin Pump Therapy \(CSII\)](#)

[Diabetes - Guidelines for the Newly Diagnosed Child](#)

If Registrar is unable to answer your query or unable to give appropriate advice from the Guidelines, they are to discuss the problem with the General Paediatric Consultant on call.

If the query remains unresolved, under the instruction of the General Paediatric Consultant, the query should be escalated to the on call Paediatric Diabetes Consultant who can be accessed via the switchboard.

If at any time during consultation there is concern that the condition of the patient is deteriorating, the parent and / or patient should be advised to attend their nearest Accident and Emergency Department.
