

Pride in Surrey

On 9 September 2023 #TeamASPH joined Pride in Surrey for the fourth year in a row, third in the parade and second as a sponsor!

Team ASPH were joined by colleagues from other Trusts as well as their friends and families to celebrate the day.

It was a blistering hot day when Pride in Surrey descended on Reigate in a splash of colour, noise, oomph, and passion. The parade consisted of a leisurely stroll through the town of Reigate from their Townhall to the beautiful Priory Park with participants cheering, waving flags, and making as much noise as possible.

Upon entering the park attendees were met with various stalls, two entertainment stages and a funfair. Some of the team helped supervise a stall alongside system partners where we advertised our vacancies and our Trust Charity.

It was a brilliant day and a pleasure to spend it with amazing colleagues, family, and friends. Bring on Pride in Surrey 2024!
